### **ProLiance Energy Cited by United Way**

ProLiance Energy is pleased to announce that it has been chosen as this month's Spotlight Company by the United Way of Central Indiana. The organization periodically recognizes companies that have partnered with the United Way to address today's needs and reduce tomorrow's.

ProLiance was cited for:

- 100 percent employee participation in the annual campaign for the past 7 years;
- Receiving the Company That Cares Award 2001-2007;
- Sponsorship of ReadUP, the BackPack Attack and United on Broadway;
- Largest increase in overall giving, 2007; highest overall participation, 2007; and breakthrough campaign, 2007.

ProLiance Energy President John Talley noted "ProLiance takes our responsibility as a corporate citizen very seriously. Our partnership with the United Way of Central Indiana helps ensure that our efforts meet the most critical needs of our community."

The United Way of Central Indiana company spotlight can be found at <http://www.uwci.org/index.asp?p=971>.

#### *About ProLiance Energy:*

*Founded in 1996, ProLiance Energy is one of the largest U.S. natural gas marketers with customers in 16 states and offices in Indiana, Illinois and Ohio. Its staff of more than 100 energy professionals manages the energy needs of over 1,400 utility, municipal, industrial and commercial customers. ProLiance is jointly owned by affiliates of Vectren Corporation and Citizens Gas. For more information, visit [www.proliance.com](http://www.proliance.com).*
